There is a new wine skin being developed for the new outpouring that's coming. We will call what is coming "new," but in reality it is going to be a restoration of His original design. God is all about restoration. The church that is being prepared to arise in power will reflect the values and culture of Heaven, not the values and culture in which we live.

This is a snapshot of what we are about at Global School of Supernatural Ministry. (GSSM) it is no longer about putting "Band-Aids" on hearts, bodies, homes and culture. It is about walking in Kingdom anointing and power that frees hearts, heals bodies, restores homes and transforms culture. What we carry, what we train, and what we impart at GSSM is not natural. It is supernatural.

Join us at Friendship Church, for a time of preaching, activation and impartation by our GSSM team.
